

PRAY *for* AMERICA

with Pastor, John Sines Jr

Each Monday @ 7 PM

Hello Friend,

On Monday, October 17th, 2016, I started praying weekly with my church for America.

I believe that our country's downward spiral and moral compass is out of whack, partly because church has stopped praying.

Will you consider joining me each Monday, by starting a Pray For America prayer service at your church?

GOD is expecting the church to lead by example and if America wants HPS blessings again, she must now remember how to bow.

Will you pray WFTH me?

If my people, which
are called by my name,
shall humble
themselves, and pray,
and seek my face, and
turn from their wicked
ways; then will I hear
from heaven, and will
forgive their sin, and
will heal their land.

“Praying For America” can be overwhelming and we may not know exactly where or how to start.

At our weekly prayer meeting, we do not incorporate any music, take prayer request, share blessings or take an offering - we simply come in and pray.

There are six categories listed below and we ask a volunteer to take a category. That volunteer prays out loud while others are in silent prayer. Once all six categories have been prayed over, we stand and sing acapella “GOD bless America”.
